**Dr Sandi Pillay**, is a Specialist Psychiatrist in private practice. He graduated from Natal Medical School with prizes in psychiatry and paediatrics in 1992. Sandi was awarded a Gold medal for Society of psychiatrist. He also completed a course in Cognitive Behavioural therapy, at the Beck Institute U.S.A.

Dr. Pillay's presentation will cover the signs and symptoms of depression and anxiety in children, also looking closely at the management and the sensitivity of these two conditions.

Knowing that he will be speaking to an audience who are closely associated with young and older children, he will be conducting his presentation as an informal inactive discussion allowing people to ask their concerning questions as well.
