

# THINKING SCHOOLS SOUTH AFRICA (TSSA)

## Module 1

### **Introducing Habits of Mind to Teachers and Classrooms by JAMES ANDERSON Australia's leading authority of Habits of Mind Back by popular demand**

#### Who Should Attend?

Suitable for teachers and school leaders that are either new to the Habits of Mind, or seeking to extend their current work, this highly practical two day workshop lays a solid foundation for your work with Habits of Mind. The Habits are explored through a wide range of practical classroom examples, while at the same time this exploration is bedded in a pedagogical framework that ensures meaningful and lasting improvement to teacher practice. To ensure success back at school, a number of common misunderstandings and common misdirections are addressed.
